25 YEARS OF BUILDING

2026 Annual Fundraising Banquet

STEVENTHEN HOLLAND

Steventhen Holland's mother, who was raised in a facility for developmentally delayed individuals, found herself pregnant after being assaulted and gang raped. She ran away in hopes of delivering and keeping her child. Facing seemingly impossible odds, she still chose LIFE! Her baby boy was placed in foster care and adopted. Steventhen spent most of his life with many questions and no answers, but at 27 years old he was reunited with his birth mother. His story will encourage mothers to deliver their babies and other families to adopt. Everyone searches for peace. Experience THE JOURNEY God has taken Steventhen Holland on, and you too, will find the peace of God that passes all understanding!

The Lord is **righteous** in all His ways, **gracious** in all His works. The Lord is **near** to all who call upon Him, to all who call upon Him in truth. He **will fulfill** the desire of those who fear Him; He also **will hear** their cry and **save** them. The Lord **preserves** all who love Him, but all the wicked He will destroy. Psalm 145:17-20

You Heard God's Call

A Word from Our Executive Director

As I prepare for our annual banquet and the **25-year celebration of building this organization**, I think of the many people who spent endless hours being champions for the unborn - The original Board of Directors who forged ahead in a culture that didn't appreciate their vision who wrote bylaws and policies and executed the 501c3 process setting the organization up for success; the many Executive Directors who grew the organization and gave it stability recruiting volunteers, training them, and developing strategic plans; the literally hundreds of volunteers who have mentored moms, hosted events, manned booths, planned fundraisers, worked in the office, washed clothes, made layettes, donated funds - and the list goes on and on. I am privileged to be a part of the Pregnancy Center's legacy...and so are YOU! **Whether you're a volunteer, donor, or prayer partner, YOU are what makes this organization successful!**

When we allow God to work in our lives, we are blessed. He cares about the unborn because He is their Creator. He cares about families in crisis because He loves us. And frankly, haven't we all experienced crisis? Evil lives in the world but God is greater! Psalm 145 is powerful and speaks to God's love for us, His protection of us, and His mercy over us.

We seem to often speak about raising funds because, let's face it, we can't do much without the funds to do it. But when I look over the years, we've literally saved thousands of lives. When a mom sees their baby moving in the womb before they can even feel it, it changes their perspective. When we speak life into new dads, they rise to the expectation and responsibility. Since I started 3 years ago, we've reached over 800 distinct clients and helped those families succeed. Imagine the number in 25 years?! But I didn't do it...YOU DID! **You prayed, you gave, you cared enough to hear God's call and answer it! I thank you and look forward to continuing our work together to preserve life and share the saving grace of our Lord!**
